SNIPEF membership – how we can help

Win work

Members can use the SNIPEF logo to show their commitment to professionalism and stand out from competitors.

Members are also promoted through our Need a Plumber website, connecting the public with qualified local plumbers.

Be heard

SNIPEF gives Members a voice on local and national industry issues. We ensure your collective opinions are heard by government and regulatory bodies to shape the future of our industry.

Join approved schemes

Members can join the Approved Contractor Scheme run by SNIPEF, approved by Scottish Water and Northern Ireland Water. SNIPEF also operates the Approved Certifier of Construction Scheme allowing approved certifiers to self-certify areas of work that are subject to a building warrant.

Get advice

Our in-house expert team is here to give free advice and support on technical issues and industrial relations to ensure you remain compliant.

Save money

SNIPEF has partnered with various organisations to give our Members discounts on a range of products and services, including insurance, health and safety, legal advice, tools and equipment, Renault vans, TradePoint cards, CHAS accreditation and more.

Stay informed

Members receive our quarterly *PlumbHeat* magazine, along with e-newsletters and a members-only section on our website to keep them up to date on industry news and activities.

To find out more call 0131 556 0600, visit www.snipef.org or email membership@snipef.org

To request a visit from our Membership Officer call 07801 741346, email andy.furnevel@snipef.org or tweet [@SNIPEFandy](https://twitter.com/SNIPEFandy)
