

PRECISE INSTALLS

(STRATHCLYDE) LTD

Precise Installs (Strathclyde) Ltd are a young, dynamic domestic and commercial plumbing company based in Blantyre, South Lanarkshire. We provide heating and plumbing services to a wide range of customers across the public, commercial and domestic sectors. Our highly qualified team has more than 40 years of experience and are committed to excellence in everything we do. We are growing so have a great opportunity for a **Plumbing & Heating Engineer, site-based operative/foreman**.

What we're looking for:

We are looking for a **Plumbing & Heating Engineer, site-based operative/foreman** to support our growing portfolio within the Central Belt of Scotland covering Glasgow, Lanarkshire and the East. The ideal candidate will be dynamic and enthusiastic about their work while demonstrating their organisational skills by planning ahead. They'll be a confident person who gets along with everybody but also knows their limitations and is willing to learn and receive direction. Does this sound like you? If so, do you have great site experience? Can you complete all plumbing and heating installations from first fix through to commissioning? Yes? Then read on.

Are you well presented? Do you have a track record of great customer service and good communication skills? Are you commercially smart with a keen eye for detail? Do you have a passion for providing a great finish? Are you a stickler for time? How are your organisational skills? Are you confident in material management, calling off materials and organising other members of the team while working closely with other trades? If the answer to these is yes then you might be the ideal candidate.

Do you have a full driver's license?

Are you Gas Safe Certified?

Do you have a CSCS card?

Are you SVQ 3 qualified?

Job type: Full-time, permanent

Expected start date: Immediate

Salary: £34,000 to uncapped

Company vehicle may be supplied
