SECTION 3: NOMINATED CERTIFICATION CO-ORDINATOR

The Co-ordinator countersigns the Certificate of Construction and does not require to hold a technical qualification, but they must hold a position of some authority within the firm. For security purposes, it is recommended that the approved certifier and the co-ordinator are different individuals. However, if you are a sole trader, you can act as both the Co-ordinator and the Approved Certifier, but you must complete an Approved Certifier of Construction (ACC/1) application form.
